

The BeniTalk

The BeniTalk is a Youth-focused platform to learn, inspire, encourage and share the experience with a mission to promote a creative environment with motivated people who are free to build each other up and achieve more every day and everywhere. Burning with the zeal to add a stone on the giant tower to make the world a better place. Motivation, Biographies, Success Stories, Daily News, Business Ideas and Plans, Interviews, Debates, Discussions, Job Opportunities, this and more ... all in one place.

Our Mission

Our mission is to inspire, motivate and share knowledge to promote a creative environment with motivated people who are free to build each other up and achieve more every day, everywhere.

Our Vision

To stimulate natural creativity among the youths.

Our Goal

To promote an informed, fearless and creative society.

Our Objectives:

- Engage the youths in learning new skills and making use of the skills they already acquire.
- Provide necessary information to guide the youths.
- Engaging with experienced people to share their experiences, challenges, and how they overcame them.

Problems

- High levels of poverty due to lack of means and support, especially for youths.
- Pessimistic mindsets in our societies.
- Impure sources of income among girls ending up selling themselves as a way of making money.
- Broken relationships because of a lack of certain understandings and knowledge.
- Very few to no jobs.
- Fewer investments from large corporations.
- High dependency of youths on their parents.
- Low levels of innovation.

What we do about it

- Organize table talks about various topics like: *"If I have no capital and I have an idea, what should I do?"* These table talks are meant to help us and our viewers to learn from our special guests and from each other.

- Create important content of practical learning skills which you can find on our website:
www.thebenitalk.com

- Organize interviews and talks with experienced people about their personal experiences about a given scenario.

- Write books, novels, and article based on real-life issues as well as daily motivation, all available on our website: **www.thebenitalk.com**

- Visit single mothers, orphans, and people who have lost hope and confidence to give them back hope through talks and as well as provide them with a few skills, they need to stand up again.
